

**Department of Mechanical Engineering  
Indian Institute of Technology Delhi**

10 April 2013

For bearing test rig, quotations are invited for chiller plant with following specifications. Sealed quotations (marked on the cover with “Quotation for Chiller Unit”) should be submitted on or before 24th April 2013 to the undersigned. Prices should be quoted with payment terms and delivery schedule.

**Specifications for Chiller:**

Input Output water temperature increase rate: 3 degree/hr.

Water based coolant tank capacity: 1000 Liter

For additional details, kindly contact the Mr Piyush Shakya ([piyush.shakya@gmail.com](mailto:piyush.shakya@gmail.com), Mobile: 09540310297). Quotations with shorter delivery schedule will be preferred. The quotation should include calculation sheet for capacity estimation and a list of reputed clients to whom the vendor has supplied similar capacity units during last one year. Standard IIT Delhi payment terms apply (No advance payments).
