Tender Documents may be downloaded from Central Public Procurement Portal [http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app). Aspiring Bidders who have not enrolled / registered in e-procurement should enroll / register before participating through the website [http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app). The portal enrolment is free of cost. Bidders are advised to go through instructions provided at ‘Instructions for online Bid Submission’.

निविदा दस्तावेज केन्द्रीय सार्वजनिक खरीद पोर्टल [http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app) से डाउनलोड हो सकते हैं ई-प्रोक्योरमेंट में पंजीकृत नहीं होने वाले इलेक्ट्रॉनिक बोलीदाताओं को वेबसाइट [http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app) के माध्यम से भाग लेने से पहले पंजीकरण करना चाहिए। पोर्टल नामांकन मुद्दा है बोलीदाताओं को सलाह दी जाती है कि ‘ऑनलाइन बोली’ के लिए निर्देश पर दिए गए निर्देशों के माध्यम से जाने की सलाह दी जाए।Tenderers can access tender documents on the website (For searching in the NIC site, kindly go to Tender Search option and type ‘IIT’). Thereafter, Click on “GO” button to view all IIT Delhi tenders. Select the appropriate tender and fill them with all relevant information and submit the completed tender document online on the website [http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app) as per the schedule given in the next page.

निविदा प्लेटफार्म वेबसाइट पर निविदा दस्तावेज का उपयोग कर सकते हैं (एनआईआई साइट में खोज के लिए, कृपया निविदा खोज विकल्प और ‘आईआईआई’ टाइप करें। उसके बाद, सभी आईआईआई दिल्ली निविदाओं को देखने के लिए “गो” बनन पर क्लिक करें)। उपयुक्त निविदा का चयन करें और उन्हें सभी प्रारंभिक सूचनाओं से भरें और वेबसाइट पर [http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app) पर पूरा निविदा दस्तावेज ऑनलाइन जमा करें। अगले पृष्ठ में दिए गए कार्यक्रम के अनुसार No manual bids will be accepted. All quotation (both Technical and Financial should be submitted in the E-procurement portal).

कोई मैन्युअल बोली स्वीकार नहीं की जाएगी। सभी कोटेशन (तकनीकी और वित्तीय दोनों को ई-प्रोक्योरमेंट पोर्टल में जमा करना चाहिए)

Chairman Purchase Committee
(Buyer Member)
Instructions for Online Bid Submission/ऑनलाइन बोली (बिड) के लिए निर्देश:

As per the directives of Department of Expenditure, this tender document has been published on the Central Public Procurement Portal (URL:http://eprocure.gov.in/eprocure/app). The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at:

http://eprocure.gov.in/eprocure/app

REGISTRATION

1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL:http://eprocure.gov.in/eprocure/app) by clicking on the link “Click here to Enroll”. Enrolment on the CPP Portal is free of charge.

2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.

3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.

4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.

5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.

6) Bidder then logs in to the site through the secured log-in by entering their userID / password and the password of the DSC / eToken.
1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.

2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS / बोली (बिड) की तैयारी

1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.

2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF formats. Bid documents may be scanned with 100 dpi with black and white option.

4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” area available to them to upload such documents. These documents may
be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

Manak dasaavejeki ekhi sethi ko aaploosh karen ko liye avayshak samay or pramanas se bache ko liye jo prateek booli ke bhag ke rup me jama karen ko liye avayshak hain, ase manak dasaavej aaploosh karen ko pravanthan (jaise peen karai kopi, varthik riporit, lekhaparshik praman patr aadait) booleidaatao ko pradan kiiya gaya hai. Ase dasaavej ko aaploosh karen ko liye booleikaran ko liye uplabdh “mira seng” kshetra ko upayana kare sakate hain. Booli jama karte samaye ye dasaavej siddhe “mera spes” kshetra se jama kiiye ja sakate hain, or unhen bare-bare aaploosh kare ko liye jukroote hain issise booli jama prakritya ko liye avayshak samay me kamyi aanei.

SUBMISSION OF BIDS/booli (bid) ka jama karna

1) Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.

Booleidaata ko booli prastuti ke liye achhi tarah se sahaart par long in karna chahiye taaki woh samay par booli aaploosh kar sakhe ya fir booli prastut karen ko samay se pahle. Anu mudao ke karana kisi bhi dheri ke liye booleidaata jismmeda hoga.

2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.

Booleidaata ko nikidra dasaavej me deepa anusanar ek-ek karke avayshak booli dasaavejeki ko diigitaal hastakshar or aaploosh karna hoga.

3) Bidder has to select the payment option as “on-line” to pay the tender fee / EMD as applicable and enter details of the instrument. Whenever, EMD / Tender fees is sought, bidders need to pay the tender fee and EMD separately on-line through RTGS (Refer to Schedule, Page No.2).

Booleidaata ko nikidra shukc / EImadki ko bhugatan ko liye “aun laain” ke rup me bhugatan vikarsh chunan hoga or upakaran ka vibaran dhar karna hoga. Jab bhi, EImadki / nikidra shukc ki mangan ki jati hai, booleidaatao ko toder shukc or EImadki aulg- alag aartajieeves ka maadhyam se aun laain par bhugatan kare ko avayshaktaya hote hain (anuusahki, pej n.2 deshi).

4) A standard BoQ format has been provided with the tender document to be filled by all the bidders.

Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. Bidders are required to download the BoQ file, open it and complete the white colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

Ek manak BoQ prarup ko sabhi booleidaatao dharra bharne ko liye nikidra dasaavej pradan kiiya gaya hai. Booleidaatao ko is bata ko dhyan rakha bhaiahke unhen avayshak prarup me aapni vitiriy booli jama kareen chahiye or koie aap prarup सीकारे नहीं है। Booleikaran ko BoQ faail ko dataonloord karen, isse khelane or aapne sanbhitcha vitiriy udharan or aap vibaran (jaise booleidaata ko naam) ke saath sankdav randme (anuusahki) kooshikaran ko prura kare ko avayshak hote hai. Koi bhi aap ka kek hehla badla jaana chahiye. Ek bar vibaran pura hi hone par, booleidaata ko isse sahejana hoga or isse ainline jama kareen hoga, bina faail nam baddana. Yadi BOQ faail ko booleidaata dharra sanbhitcha kiiya gaya hai, to booli ko khoarich kar disya jaayega.

5) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.

Sarvar ko samay (jo booleidaatao ke dhaashbord par prarshitha hota hai) booleidaatao dharra booliyo ko khelane ke liye samay sieve ko sanbhitcha kare ko liye manak samay ke rup me mana jaayega. Booleidaatao ko khelana aadiye. Booleidaatao ko booli prastut kare ko dhaaraa is samay ko palan kareen chahiye.

6) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized
persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done.

7) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

8) Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

9) Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.

ASSISTANCE TO BIDDERS / बोलिदाताओं को सहायता

1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

2) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 1800 233 7315.

General Instructions to the Bidders / बोलिदाताओं के लिए सामान्य निर्देश

1) The tenders will be received online through portal http://eprocure.gov.in/eprocure/app. In the Technical Bids, the bidders are required to upload all the documents in .pdf format.

2) Possession of a Valid Class II/III Digital Signature Certificate (DSC) in the form of smart card/e-token in the company's name is a prerequisite for registration and participating in the bid submission activities through https://eprocure.gov.in/eprocure/app. Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the web site https://eprocure.gov.in/eprocure/app under the link “Information about DSC”.

Kृपया अनुपालन जानकारी की एक पीडीएफ फाइल में सभी प्रासंगिक दस्तावेजों के स्कैन किए गए पीडीएफ को जोड़ें।
3) Tenderer are advised to follow the instructions provided in the ‘Instructions to the Tenderer for the e-submission of the bids online through the Central Public Procurement Portal for e Procurement at https://eprocure.gov.in/eprocure/app.

निविदाकर्ता को सलाह दी जाती है कि वे निविदाकार को निर्देश दिए गए हों ताकि ई-प्रोक्योरमेंट के लिए सेंट्रल पब्लिक प्रोकॉर्मेंट पोर्टल के जरिए https://eprocure.gov.in/eprocure/app पर ऑनलाइन निविदाएं जमा कर सकें।
NOTICE INVITING QUOTATIONS

Subject: Lab scale Biocomponent Extruder Fed Spinning Machine

Invitation for Tender Offers

Indian Institute of Technology Delhi invites online Bids (Technical bid and Commercial bid) from eligible and experienced OEM (Original Equipment Manufacturer) OR OEM Authorized Dealer for supply, installation & integration of Lab scale Biocomponent Extruder Fed Spinning Machine with (warranty period as stated at page #1 of this tender) on site comprehensive warranty from the date of receipt of the material as per terms & conditions specified in the tender document, which is available on CPP Portal [http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app)

TECHNICAL SPECIFICATION:

<table>
<thead>
<tr>
<th>S.No</th>
<th>Parameters</th>
<th>Specifications</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.</td>
<td>Compact lab scale unit</td>
<td>The bicomponent melt spinning system should fit (installed in running condition) within normal room height of 10 feet and have small footprint.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Easy to assemble/disassemble and repair</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Easy to operate by research staff/students</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Should be able to spin small volumes of material 100 g/h or less and capable of continuous long term operation of up to 6 Kg/h for field trials.</td>
</tr>
<tr>
<td>2.</td>
<td>Extruder unit with drive mechanisms</td>
<td>Two extruders for bicomponent spinning consisting of</td>
</tr>
<tr>
<td></td>
<td></td>
<td>i. Pressure rating for extruder barrel 7500 psi (500 bar) or more</td>
</tr>
<tr>
<td></td>
<td></td>
<td>ii. 30:1 L/D Screwsof approx. diameter of 3/4” (19mm)</td>
</tr>
<tr>
<td></td>
<td></td>
<td>iii. Extruder should be able to deliver polymer of at least 2500 psi (166 bar) or more</td>
</tr>
<tr>
<td></td>
<td></td>
<td>iv. Should be able to handle high melting point polymers with high temperature processing capability of up to 450 °C with control of &lt; ± 3°C or better.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>v. Electrically heated, total 7 zones: 3 zones/extruder plus 1 spinneret</td>
</tr>
<tr>
<td></td>
<td></td>
<td>vi. Two separate melt pumps including drives and controls</td>
</tr>
<tr>
<td></td>
<td></td>
<td>vii. Corrosion resistant wetted parts for running fluoropolymers</td>
</tr>
<tr>
<td></td>
<td></td>
<td>viii. Barrel over-pressure protection</td>
</tr>
<tr>
<td></td>
<td></td>
<td>ix. Should be suitable to run very small volume of 100 g/h to high volumes of 3 Kg/h per extruder (for polypropylene). Spinning capacity should be 6 kg/h for a homofilament spinning.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>x. Extruder screw speed should be controlled within ± 5%</td>
</tr>
<tr>
<td></td>
<td></td>
<td>xi. Pressure control</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>---</td>
<td>---</td>
<td>---</td>
</tr>
<tr>
<td>xi. Hoppers of size 10L or more with a shutoff valve and a provision to purge N2 gas</td>
<td>xii. Digital pressure indicators</td>
<td>xiii. Quantity of unused polymer in each extruder system should be &lt;50 cc</td>
</tr>
<tr>
<td>xiv. Extruder should be pressure controlled to deliver a constant head to the metering pumps and allow production of fibers with tolerances of +/- 0.5%</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

### 3. Spin packs

- **(i)** Spinnerets should be multi plate based to allow assembly of packs to form different types of bicomponent cross-sections using the same spin pack such as (a) homo, (b) side-by-side, (c) sheath/core, (d) minimum 16 segment pie and (e) at least 36 islands-in-the-sea.
- **(ii)** Two sets of distribution plates for spinning should be provided for above configuration.
- **(iii)** Suitable for spinning different types of polymers including nylon 6 and PET
- **(iv)** Spinneret with at least 70 round holes of diameter 0.35 ± .01 mm
- **(v)** Pack top and screen support plate must be 17-4 ph SS
- **(vi)** Sandwiched screen filters
- **(vii)** Spin pack should be compatible with other options such as for nanofiber islands-in-the-sea, minimum 10 stripes, trilobal core, and hollow fibers.
- **(viii)** Additional one set spinneret for spinning 100 denier/20 fil suitable for nylon -6 and PET and
- **(ix)** Additional one set of spinneret for spinning 420 denier/72 fil for nylon 6 and PET

(ii) Corrosion resistant wetted parts for running fluoropolymers (except for spinnerets (viii) and (ix))

(iii) Screens and seals for minimum 100 pack or more builds must be available.

### 4. Dryer and polymer loader

Two polymer loading and dryer systems (desiccant type), one for each extruder, with -40 C deg dew point capability for drying all kinds of polymers including PET and nylon

### 5. Special tools and expendables

Following tools and expendable must be provided

- **i.** At least 10 spare extruder seals (5 tear downs) or more
- **ii.** Anti-seize for bolts
- **iii.** Brass spinneret scraper
- **iv.** Fiber scissors
- **v.** Pack installation handle
|   |   | vi. Doff stick  
|   |   | vii. Extruder barrel brush  
|   |   | viii. Copper gauze for wiping spinnerets  
|   |   | ix. Fiber cross section microtome  
|   |   | x. Hand held string up aspirator  
|   |   | xi. Tool Set: inch & metric sockets, wrenches, hex wrench set, torque wrench, screw drivers, plastic/brass hammers, pliers set with storage boxes.  
| 6. | Computer control system | i. Computer control supervisor system consisting of data logging, graphical presentation and ability to load control recipes  
| 7. | Spare spin packs | i. Two extra spin pack sets, ssp& spinnerets (17-4 ph SS)  
|   |   | ii. Polymer distribution plate (minimum 17 each)  
|   |   | iii. Corrosion resistant wetted parts for running fluoropolymers  
| 8. | Spinning Zone | i. Cross flow type quench cabinet of at least 0.9 M (36”) length with variable speed blower  
|   |   | ii. Air chiller with a minimum10,000 btu capacity for supplying cooling air for the quench zone.  
|   |   | iii. Metered type spin finish applicator with variable speed  
| 9. | Custom Draw and winding zone | i. Onedraw-heat-setting stand including the following:  
|   |   | a. Minimum of 4 draw zones and one heat-setting zone using6 or more pairs of powered godet rolls  
|   |   | b. Standalone/integrated control system  
|   |   | ii. Random wind high speed winder with a speed in the range of 500-3000 mpm or more  
| 10. | Support Equipment | i. Vacuum cleaning oven to clean extruder barrels and screws with dimensions of at least 15” diameter X 23” depth  
|   |   | ii. Pack preheater for filament, packs with maximum temp of 450°C or more  
|   |   | iii. Ultrasonic tank for cleaning spinnerets after burnout  
| 11. | Spares | Quote a list of spares that may be needed for smooth running of the system for 3 years.  
| 12. | Voltage | System should be ready to be run on single phase 230 V 50 Hz or 3 phase 440 V 50 Hz.  
| 13. | System supplied | The vendor must have supplied at least five lab scale bicomponent melt spinning systems to reputed academic or research organizations in the world.  
| 14. | References | Vendor must provide above references of clients (reputed academic or research organizations) where the lab scale bicomponent melt spinning system has been supplied.  
| 15. | Demonstration of technology | Vendor must enclose video(s) showing working of a lab scale bicomponent spinning system  
<p>| 16. | Warranty | Minimum 1 year comprehensive warranty |</p>
<table>
<thead>
<tr>
<th></th>
<th>Pre Installation Requirements</th>
<th>Complete technical details of pre-installation requirements should be furnished along with the technical bid.</th>
</tr>
</thead>
<tbody>
<tr>
<td>18.</td>
<td>Installation and Commissioning</td>
<td>Installation and commissioning is to be carried out by the vendor’s factory-trained engineers, followed by a demonstration of the system’s performance to the user’s complete satisfaction.</td>
</tr>
</tbody>
</table>

A complete set of tender documents* may be Download by prospective bidder free of cost from the website [http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app). Bidder has to make payment of requisite fees (i.e. Tender fees (if any) and EMD) online through RTGS/NEFT only.
## Terms & Conditions Details

<table>
<thead>
<tr>
<th>Sl.No.</th>
<th>Specification</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.</td>
<td><strong>Due date:</strong> The tender has to be submitted on-line before the due date. The offers received after the due date and time will not be considered. No manual bids will be considered.</td>
</tr>
</tbody>
</table>
| 2.     | **Preparation of Bids:** The offer/bid should be submitted in two bid systems (i.e.) Technical bid and financial bid. The technical bid should consist of all technical details along with commercial terms and conditions. Financial bid should indicate item wise price for the items mentioned in the technical bid in the given format i.e BoQ_XXXX. The Technical bid and the financial bid should be submitted Online.  

*Note: Comparison of prices will be done ONLY on the bids submitted for the Main Equipment and anything asked as ‘Optional’ in the specs is not to be included for overall comparison.* |
| 3.     | **EMD (if applicable):** The tenderer should submit an EMD amount through RTGS/NEFT. The Technical Bid without EMD would be considered as UNRESPONSIVE and will not be accepted. The EMD will be refunded without any interest to the unsuccessful bidders after the award of contract. Refer to Schedule (at page 1 of this document) for its actual place of submission. |
| 4.     | **Refund of EMD:** The EMD will be returned to unsuccessful Tenderer only after the Tenders are finalized. In case of successful Tenderer, it will be retained till the successful and complete installation of the equipment. |
| 5.     | **Opening of the tender:** The online bid will be opened by a committee duly constituted for this purpose. Online bids (complete in all respect) received along with EMD (if any) will be opened as mentioned at “Annexure: Schedule” in presence of bidders representative if available. Only one representative will be allowed to participate in the tender opening. Bid received without EMD (if present) will be rejected straight way. The technical bid will be opened online first and it will be examined by a technical committee (as per specification and requirement). The financial offer/bid will be opened only for the offer/bid which technically meets all requirements as per the specification, and will be opened in the presence of the vendor’s representatives subsequently for further evaluation. The bidders if interested may participate on the tender opening Date and Time. The bidder should produce authorization letter from their company to participate in the tender opening. |
| 6.     | **Acceptance/ Rejection of bids:** The Committee reserves the right to reject any or all offers without assigning any reason. |
| 7.     | **Pre-qualification criteria:**  

(i) Bidders should be the manufacturer / authorized dealer. Letter of Authorization from original equipment manufacturer (OEM) on the same and specific to the tender should be enclosed.  
(ii) An undertaking from the OEM is required stating that they would facilitate the bidder on a regular basis with technology/product updates and extend support for the warranty as well. (Ref. Annexure-II)  
(iii) OEM should be internationally reputed Branded Company.  
(iv) Non-compliance of tender terms, non-submission of required documents, lack of clarity of the specifications, contradiction between bidder specification and supporting documents etc. may lead to rejection of the bid.  
(v) In the tender, either the Indian agent on behalf of the Principal/OEM or Principal/OEM itself can bid but both cannot bid simultaneously for the same item/product in the same tender.  
(vi) If an agent submits bid on behalf of the Principal/OEM, the same agent shall not submit a bid on behalf of another Principal/OEM in the same tender for the same item/product. |
| 8.     | **Performance Security:** The supplier shall require to submit the performance security in the form of irrevocable bank guarantee issued by any Indian Nationalized Bank for an amount which is stated at page #1 of the tender document within 21 days from the date of receipt of the purchase order/LC and should be kept valid for a period of 60 days beyond the date of completion of warranty period. |
| 9.     | **Force Majeure:** The Supplier shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that, it’s delay in performance or other failure... |
to perform its obligations under the Contract is the result of an event of Force Majeure.

- For purposes of this Clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not limited to, acts of the Purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such conditions and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

<tr>
<td>13. Delayed delivery:</td>
<td>If the delivery is not made within the due date for any reason, the Committee will have the right to impose penalty 1% per week and the maximum deduction is 10% of the contract value / price.</td>
</tr>
<tr>
<td>14. Prices:</td>
<td>The price should be quoted in net per unit (after breakup) and must include all packing and delivery charges. The offer/bid should be exclusive of taxes and duties, which will be paid by the purchaser as applicable. However the percentage of taxes &amp; duties shall be clearly indicated. The price should be quoted without custom duty and excise duty, since IIT Delhi is exempted from payment of Excise Duty and is eligible for concessional rate of custom duty. Necessary certificate will be issued on demand.</td>
</tr>
</tbody>
</table>
| **In case of imports, the price should be quoted on FOB/FCA origin Airport Basis only.** | Under special circumstances (e.g. perishable chemicals), when the item is imported on CIF/CIP, please indicate CIF/CIP charges separately up to IIT Delhi indicating the mode of shipment. IIT Delhi will
make necessary arrangements for the clearance of imported goods at the Airport/Seaport. Hence the price should not include the above charges. **At any circumstances, it is the responsibility of the foreign supplier to handover the material to our forwarder at the origin airport after completing all the inland clearing.** Ex-Works consignment should be avoided.

“In case of CIF/CIP shipments, kindly provide the shipment information at least 2 days in advance before landing the shipment along with the documents i.e. invoice, packing list, forwarder Name, address, contact No. in India to save penalty/demurrage charges (imposed by Indian Customs). Otherwise these charges will be recovered from the supplier/Indian Agent.”

**Note:** -Comparison of prices will be done ONLY on the bids submitted for the Main Equipment and anything asked as ‘Optional’ in the specs is not to be included for overall comparison.

15. **Notices:** For the purpose of all notices, the following shall be the address of the Purchaser and Supplier.

**Purchaser:** Prof. Ashwini Agrawal  
Department of Textile and Fibre Engineering  
Indian Institute of Technology  
Hauz Khas, New Delhi - 110016.

**Supplier:** (To be filled in by the supplier)  
(All supplier’s should submit its supplies information as per Annexure-II).

16. **Progress of Supply:** Wherever applicable, supplier shall regularly intimate progress of supply, in writing, to the Purchaser as under:

1. Quantity offered for inspection and date;
2. Quantity accepted/rejected by inspecting agency and date;
3. Quantity dispatched/delivered to consignees and date;
4. Quantity where incidental services have been satisfactorily completed with date;
5. Quantity where rectification/repair/replacement effected/completed on receipt of any communication from consignee/Purchaser with date;
6. Date of completion of entire Contract including incidental services, if any; and
7. Date of receipt of entire payments under the Contract (In case of stage-wise inspection, details required may also be specified).

17. **Inspection and Tests:** Inspection and tests prior to shipment of Goods and at final acceptance are as follows:

Inspection and tests prior to shipment of Goods and at final acceptance are as follows:

- Purchaser may at its discretion inspect the machine before the final acceptance.
- The acceptance will involve trouble free operation and ascertaining conformity with the ordered specifications and quality. There shall not be any additional charges for carrying out acceptance test. No malfunction, partial or complete failure of any part of the equipment is expected to occur.
- Successful conduct and conclusion of the acceptance test for the installed goods and equipment shall also be the responsibility and at the cost of the Supplier.

18. **Resolution of Disputes:** The dispute resolution mechanism to be applied pursuant shall be as follows:

- In case of Dispute or difference arising between the Purchaser and a domestic supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Indian Arbitration & Conciliation Act, 1996, the rules there under and any statutory modifications or re-enactments thereof shall apply to the arbitration proceedings. The dispute shall be referred to the Director, Indian Institute of Technology (IIT) Delhi and if he is unable or unwilling to act, to the sole arbitration of some other person appointed by him willing to act as such Arbitrator. The award of the arbitrator so appointed shall be final, conclusive and binding on all parties to this order.
- In the case of a dispute between the purchaser and a Foreign Supplier, the dispute shall be settled by
arbitration in accordance with provision of sub-clause (a) above. But if this is not acceptable to the supplier then the dispute shall be settled in accordance with provisions of UNCITRAL (United Nations Commission on International Trade Law) Arbitration Rules.

- The venue of the arbitration shall be the place from where the order is issued.

19. **Applicable Law:** The place of jurisdiction would be New Delhi (Delhi) INDIA.

20. **Right to Use Defective Goods**

If after delivery, acceptance and installation and within the guarantee and warranty period, the operation or use of the goods proves to be unsatisfactory, the Purchaser shall have the right to continue to operate or use such goods until rectifications of defects, errors or omissions by repair or by partial or complete replacement is made without interfering with the Purchaser’s operation.

21. **Supplier Integrity**

The Supplier is responsible for and obliged to conduct all contracted activities in accordance with the Contract using state of the art methods and economic principles and exercising all means available to achieve the performance specified in the contract.

22. **Training**

The Supplier is required to provide training to the designated Purchaser’s technical and end user personnel to enable them to effectively operate the total equipment.

23. **Installation & Demonstration**

The supplier is required to do the installation and demonstration of the equipment within one month of the arrival of materials at the IITD site of installation, otherwise the penalty clause will be the same as per the supply of materials.

In case of any mishappening/damage to equipment and supplies during the carriage of supplies from the origin of equipment to the installation site, the supplier has to replace it with new equipment/supplies immediately at his own risk. Supplier will settle his claim with the insurance company as per his convenience. IITD will not be liable to any type of losses in any form.

24. **Insurance:**

For delivery of goods at the purchaser’s premises, the insurance shall be obtained by the supplier in an amount equal to 110% of the value of the goods from "warehouse to warehouse" (final destinations) on “All Risks" basis including War Risks and Strikes. The insurance shall be valid for a period of not less than 3 months after installation and commissioning. **In case of orders placed on FOB/FCA basis, the purchaser shall arrange Insurance. If orders placed on CIF/CIP basis, the insurance should be up to IIT Delhi.**

25. **Incidental services:**

The incidental services also include:

- Furnishing of 01 set of detailed operations & maintenance manual.
- Arranging the shifting/moving of the item to their location of final installation within IITD premises at the cost of Supplier through their Indian representatives.

26. **Warranty:**

(i) Warranty period shall be (as stated at page #2 of this tender) from date of installation of Goods at the IITD site of installation. The Supplier shall, in addition, comply with the performance and/or consumption guarantees specified under the contract. If for reasons attributable to the Supplier, these guarantees are not attained in whole or in part, the Supplier shall at its discretion make such changes, modifications, and/or additions to the Goods or any part thereof as may be necessary in order to attain the contractual guarantees specified in the Contract at its own cost and expense and to carry out further performance tests. The warranty should be comprehensive on site.

(ii) The Purchaser shall promptly notify the Supplier in writing of any claims arising under this warranty. Upon receipt of such notice, the Supplier shall immediately within in 02 days arrange to repair or replace the defective goods or parts thereof free of cost at the ultimate destination. The Supplier shall take over the replaced parts/goods at the time of their replacement. No claim whatsoever shall lie on the Purchaser for the replaced parts/goods thereafter. The period for correction of defects in the warranty period is 02 days. If the supplier having been notified fails to remedy the defects within 02 days, the purchaser may proceed to take such remedial action as
may be necessary, at the supplier’s risk and expenses and without prejudice to any other rights, which the purchaser may have against the supplier under the contract.

(iii) The warranty period should be clearly mentioned. The maintenance charges (AMC) under different schemes after the expiry of the warranty may be mentioned. The comprehensive warranty will commence from the date of the satisfactory installation/commissioning of the equipment against the defect of any manufacturing, workmanship and poor quality of the components.

27. **Governing Language**
The contract shall be written in English language. English language version of the Contract shall govern its interpretation. All correspondence and other documents pertaining to the Contract, which are exchanged by the parties, shall be written in the same language.

28. **Applicable Law**
The Contract shall be interpreted in accordance with the laws of the Union of India and all disputes shall be subject to place of jurisdiction.

29. **Notices**
- Any notice given by one party to the other pursuant to this contract/order shall be sent to the other party in writing or by cable, telex, FAX or e-mail and confirmed in writing to the other party’s address.
- A notice shall be effective when delivered or on the notice’s effective date, whichever is later.

30. **Taxes**
Suppliers shall be entirely responsible for all taxes, duties, license fees, octroi, road permits, etc., incurred until delivery of the contracted Goods to the Purchaser. However, GST etc., in respect of the transaction between the Purchaser and the Supplier shall be payable extra, if so stipulated in the order.

For research purpose(s) ONLY, 5% GST will be applicable with concessional GST Certificate.

31. **Duties**
IIT Delhi is exempted from paying custom duty under notification No.51/96 (partially or full) and necessary “Custom Duty Exemption Certificate” can be issued after providing following information and Custom Duty Exemption Certificate will be issued to the shipment in the name of the Institute, (no certificate will be issued to third party): The procured product should be used for teaching, scientific and research work only.

a) Shipping details i.e. Master Airway Bill No. and House Airway No. (if exists)
b) Forwarder details i.e. Name, Contact No., etc.

IIT Delhi is partially exempted from paying GST and necessary GST Exemption Certificate will be provided for which following information are required.

b) Quotation with details of Basic Price, Rate, Tax & Amount on which ED is applicable
c) Supply Order Copy
d) Proforma-Invoice Copy.

32. **Agency Commission**: Agency commission if any will be paid to the Indian agent in Rupees on receipt of the equipment and after satisfactory installation. Agency Commission will not be paid in foreign currency under any circumstances. The details should be explicitly shown in Tender even in case of Nil commission. The tenderer should indicate the percentage of agency commission to be paid to the Indian agent.

33. **Payment**:
(i) For imported items Payment will be made through irrevocable Letter of Credit (LC) Cash Against Documents (CAD)/Against delivery/after satisfactory installation by T.T. The letter of credit (LC) will be established on the exchange rates as applicable on the date of establishment. For Imports, LC will be opened for 100% of machine price FOB/CIF value against shipment and installation cost shall be made on successful installation of the instrument..
(ii) For Indigenous supplies, 100% payment shall be made by the Purchaser against delivery, inspection, successful installation, commissioning and acceptance of the equipment at IITD in...
good condition and to the entire satisfaction of the Purchaser and on production of unconditional
performance bank guarantee as specified in Clause 9 of tender terms and conditions
(iii) Indian Agency commission (IAC), if any shall be paid after satisfactory installation &
commissioning of the goods at the destination at the exchange rate prevailing on the date of
negotiation of LC documents, subject to DGS&D registration for restricted items.
All the bank charges within India will be borne by the Institute and outside India will be borne
by the Supplier.

34. **User list**: Brochure detailing technical specifications and performance, list of industrial and
educational establishments where the items enquired have been supplied must be provided. (Ref.
Annexure-III)

35. **Manuals and Drawings**
   (i) Before the goods and equipment are taken over by the Purchaser, the Supplier shall supply
   operation and maintenance manuals. These shall be in such details as will enable the Purchaser to
   operate, maintain, adjust and repair all parts of the works as stated in the specifications.
   (ii) The Manuals shall be in the ruling language (English) in such form and numbers as stated in the
   contract.
   (iii) Unless and otherwise agreed, the goods equipment shall not be considered to be completed for the
   purposes of taking over until such manuals and drawing have been supplied to the Purchaser.

36. **Application Specialist**: The Tenderer should mention in the Techno-Commercial bid the
availability and names of Application Specialist and Service Engineers in the nearest regional office.
(Ref. to Annexure-III)

37. **Site Preparation**: The supplier shall inform to the Institute about the site preparation, if any, needed
for the installation of equipment, immediately after the receipt of the purchase order. The supplier
must provide complete details regarding space and all the other infrastructural requirements needed
for the equipment, which the Institute should arrange before the arrival of the equipment to ensure
its timely installation and smooth operation thereafter.
The supplier shall visit the Institute and see the site where the equipment is to be installed and may
offer his advice and render assistance to the Institute in the preparation of the site and other pre-
installation requirements.

38. **Spare Parts**
The Supplier may be required to provide any or all of the following materials, notifications, and
information pertaining to spare parts manufactured or distributed by the Supplier:
   ii. Such spare parts as the Purchaser may elect to purchase from the Supplier, providing that this
   election shall not relieve the Supplier of any warranty obligations under the Contract; and
   iii. In the event of termination of production of the spare parts:
   iv. Advance notification to the Purchaser of the pending termination, in sufficient time to permit the
   Purchaser to procure needed requirements; and
   v. Following such termination, furnishing at no cost to the Purchaser, the blueprints, drawings and
   specifications of the spare parts, if requested.
Supplier shall carry sufficient inventories to assure ex-stock supply of consumable spares for the
Goods, such as gaskets, plugs, washers, belts etc. Other spare parts and components shall be supplied
as promptly as possible but in any case within six months of placement of order.

39. **Defective Equipment**: If any of the equipment supplied by the Tenderer is found to be substandard,
refurbished, un-merchantable or not in accordance with the description/specification or otherwise
faulty, the committee will have the right to reject the equipment or its part. The prices of such
equipment shall be refunded by the Tenderer with 18% interest if such payments for such equipment
have already been made. All damaged or unapproved goods shall be returned at suppliers cost and
risk and the incidental expenses incurred thereon shall be recovered from the supplier. Defective part
in equipment, if found before installation and/or during warranty period, shall be replaced within 45
days on receipt of the intimation from this office at the cost and risk of supplier including all other
charges. In case supplier fails to replace above item as per above terms & conditions, IIT Delhi may
consider "Banning” the supplier.
Termination for Default
The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of
default sent to the Supplier, terminate the Contract in whole or part:
  i. If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the order,
or within any extension thereof granted by the Purchaser; or
  ii. If the Supplier fails to perform any other obligation(s) under the Contract.
  iii. If the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulent practices
      in competing for or in executing the Contract.

• For the purpose of this Clause:
  i. “Corrupt practice” means the offering, giving, receiving or soliciting of anything of value
     to influence the action of a public official in the procurement process or in contract
     execution.
  ii. “Fraudulent practice” means a misrepresentation of facts in order to influence a
     procurement process or the execution of a contract to the detriment of the Borrower,
     and includes collusive practice among Bidders (prior to or after bid submission)
     designed to establish bid prices at artificial non-competitive levels and to deprive the
     Borrower of the benefits of free and open competition;”

• In the event the Purchaser terminates the Contract in whole or in part, the Purchaser may procure,
  upon such terms and in such manner, as it deems appropriate, Goods or Services similar
  to those
  undelivered, and the Supplier shall be liable to the Purchaser for any excess costs for such similar
  Goods or Services. However, the Supplier shall continue the performance of the Contract to the
  extent not terminated.

41. **Shifting**: After 1-2 years once our new Academic Block will be ready, the supplier has to shift and
    reinstall the instrument free of cost (if required).

42. **Downtime**: During the warranty period not more than 5% downtime will be permissible. For every
day exceeding permissible downtime, penalty of 1/365 of the 5% FOB value will be imposed.
    Downtime will be counted from the date and time of the filing of complaint with in the business
    hours.

43. **Training of Personnel**: The supplier shall be required to undertake to provide the technical training
to the personnel involved in the use of the equipment at the Institute premises, immediately after
completing the installation of the equipment for a minimum period of one week at the supplier’s
cost.

44. **Disputes and Jurisdiction**: Any legal disputes arising out of any breach of contract pertaining to
    this tender shall be settled in the court of competent jurisdiction located within New Delhi.

45. **Compliancy certificate**: This certificate must be provided indicating conformity to the technical
    specifications. (Annexure-I)

46. **As per Ministry of Finance, Deptt. of Expenditure, Public Procurement Division Order (Public
    Procurement No.1) issued from file No.6/18/2019-PPD dated 23rd July, 2020**
    regarding Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs) 2017, it is directed that any
    bidder from a country which shares a land border with India will be eligible to bid in any
    procurement whether of goods, services (including consultancy services and non-consultancy
    services) or works (including turnkey projects) only if the bidder is registered with the Competent
    Authority i.e. the Deptt. for Promotion of Industry and Internal Trade (DPIIT). The said order will
    not apply to bidders from those countries (even sharing a land border with India) to which the
    Government of India has extended lines of credit or in which the Government of India is engaged in
    development projects (updated lists of the countries are given in the Ministry of External Affairs)

    “Bidder” (including the term ‘tenderer’, ‘consultant’ or ‘service provider’ in certain contexts) means
any person or firm or company, including any member of a consortium or joint venture (that is an
association of several persons, or firms or companies), every artificial juridical person not falling in
any of the descriptions of bidders stated hereinbefore, including any agency branch or office
controlled by such person, participated in a procurement process.
“Bidders from a country which shares a land border with India” for the purpose of this Order means:

1. An entity incorporated, established or registered in such a country; or
2. A subsidiary of an entity incorporated, established or registered in such a country; or
3. An entity substantially controlled through entities incorporated, established or registered in such a country; or
4. An entity whose beneficial owner is situated in such a country; or
5. An Indian (or other) agent of such an entity; or
6. A natural person who is the citizen of such a country; or
7. A consortium or joint venture where any member of the consortium or joint venture falls under any of the above

The beneficial owner for the purpose of above will be as under:

1. In case of a company or Limited Liability Partnership, the beneficial owner is the natural person (s), who, whether acting alone or together, or through one or more juridical person, has a controlling ownership interest or who exercise control through other means.

Explanation-

a. “Controlling ownership interest” means ownership of or entitlement to more than twenty-five per cent of share or capital or profit of the company;
b. “Control” shall include the right to appoint majority of the directors or to control the management of policy decisions including by virtue of their shareholding or management rights or shareholders agreements or voting agreements;

2. In case of a partnership firm, the beneficial owner is the natural person (s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;

3. In case of an unincorporated association or body of individuals, the beneficial owner is the natural person (s), who, whether acting alone or together, or through one or more juridical person, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;

4. Where no natural person is identified under (1) or (2) or (3) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;

5. In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

An agent is a person employed to do any act for another, or to represent another in dealings with the third person.

For Works contracts, including Turnkey contracts, the successful bidder shall not be allowed to sub-contract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority.

A certificate shall be submitted by bidders in the tender documents regarding their compliance with the said order. If the certificate submitted by a bidder whose bid is accepted is found to be false, this would be a ground for immediate termination and further legal action in accordance with law. Annexure VI (For Goods/ Services contracts)/ Annexure VII (For Works contracts, including Turnkey contracts)
ANNEXURE-I

COMPLIANCE SHEET

TECHNICAL SPECIFICATION:

with drive mechanisms consisting of
i. Pressure rating for extruder barrel 7500 psi (500 bar) or more
ii. 30:1 L/D Screw of approx. diameter of 3/4” (19mm)
iii. Extruder should be able to deliver polymer of at least 2500 psi (166 bar) or more
iv. Should be able to handle high melting point polymers with high temperature processing capability of up to 450 °C with control of <± 3°C or better.
v. Electrically heated, total 7 zones: 3 zones/extruder plus 1 spinneret
vi. Two separate melt pumps including drives and controls
vii. Corrosion resistant wetted parts for running fluoropolymers
viii. Barrel over-pressure protection
ix. Should be suitable to run very small volume of 100 g/h to high volumes of 3 Kg/h per extruder (for polypropylene). Spinning capacity should be 6 kg/h for a homofilament spinning.
x. Extruder screw speed should be controlled within ± 5%
xii. Pressure control
xiii. Hoppers of size 10L or more with a shutoff valve and a provision to purge N2 gas
xiv. Digital pressure indicators
xv. Quantity of unused polymer in each extruder system should be <50 cc
xvi. Extruder should be pressure controlled to deliver a constant head to the metering pumps and allow production of fibers with tolerances of +/- 0.5%.

3. Spin packs

i. Spinnerets should be multi plate based to allow assembly of packs to form different types of bicomponent cross-sections using the same spin pack such as (a) homo, (b) side-by-side, (c) sheath/core, (d) minimum 16 segment pie and (e) at least 36 islands-in-the-sea.

Name: __________________________

Designation: _______________________

Organization Name: __________________________
We, ______________________________________, hereby certify that all the information and data furnished by our organization with regard to this tender specification are true and complete to the best of our knowledge. I have gone through the specification, conditions and stipulations in details and agree to comply with the requirements and intent of specification.

This is certified that our organization has been authorized (Copy attached) by the OEM to participate in Tender. We further certified that our organization meets all the conditions of eligibility criteria laid down in this tender document. Moreover, OEM has agreed to support on regular basis with technology / product updates and extend support for the warranty.

The prices quoted in the financial bids are subsidized due to academic discount given to IIT Delhi.

(ANNEXURE-V)

ORIGINAL EQUIPMENT MANUFACTURER (OEM)

28
To
The Director,
Indian Institute of Technology Delhi,
New Delhi- 110016

Dear Sir,

We manufactures of original equipment at (…………………………..address of factory……………………………) do hereby authorize M/s (Name and address of Agent) to submit a bid, negotiate and receive the order format against your tender enquiry.

M/s. ………………………………… is authorized to bid and conclude the contract in regard to this business.

We hereby extend our full guarantee and warranty as per clause …………………………… of the terms and conditions NIQ for the goods and services offered by the above firm.

Yours Faithfully,

(Name)

(Name & Seal of Manufactures)

Note: -

1. **Items of indigenous nature or quoted in INR**, more than 1 authorized representative may participate in the same tender and submit their bids on behalf of their OEM/Principal/Manufacturer if the OEM permits more than one authorized bidder in such case as per their policy.

2. **In cases of agents quoting in offshore procurements**, on behalf of their principal manufacturers, one agent cannot represent two manufacturers or quote on their behalf in a particular tender enquiry. **One manufacturer can also authorize only one agent/dealer**

3. The letter of authority should be on the letterhead of the manufacturer and should be signed by a person competent and having the power of attorney to bind the manufacturer. The same should be included by the bidder in its techno-commercial unpriced bid.
CERTIFICATE
