Notice Inviting Quotation

September 20, 2011

SUB: Quotations for 3-D printer for making models for undergraduate design courses.

Quotations are invited for a 3-D printer having following specifications

- System should be completely closed, while printing, to avoid the dust pollution.
- The printer software must be compatible with commonly available 3-D solid modeler software. It must accept *.stl files.
- Machine must be able to build 150*150*150 mm³ size model easily.
- Layer thickness must be lesser than 0.3 mm size.
- Power input: 200-240 V AC (as per Indian norms)
- Operating system: Windows
- Input Material: Thermoplastic
- Minimum comprehensive warrantee: One Year

Sealed (technical and financial) quotations must reach us by 5.00 p.m. of October 11, 2011 at the following address:

Dr. Harish Hirani,
Block II-354, Department of Mechanical Engineering,
IIT Delhi, Hauz Khas, New Delhi-110016.
Ph: (011) 2659-1140

Terms & Conditions

- Validity of Quotation: 60 days from the date of opening of the Bids.
- Bid must include all taxes and price must be provided in Indian Rupees.
- Technical specifications must include detail of deposition technique, rate of deposition, and copy of supply orders received for the similar systems from various academic institutions.
- Financial bid must include the required consumable materials for preparation of 150*150*150 mm³ size model and the cost of those materials.
- IIT Delhi reserves the right to accept/reject any bid, without assigning any explanation or reason. The decision of finalizing the bid on the subject shall be final and binding on all Bidders.
- Payment will only be made after complete installation of photocopier.
