

Indian Institute of Technology Delhi

Quotations are invited for conducting half a day aero-modelling workshop for about 850 students of IIT Delhi meeting following requirements:

- The workshop should cover hands-on activities of design, build and fly in groups of two preceded by orientation lectures.
- Must depute enough trainers to handle about 850 students
- Should cover the cost of all raw materials/components/consumables for gliders to be designed in balsa wood meeting following typical specifications:

Fuselage: 1 feet length; Wing Span: 2 feet; Chord: 2 inches

Sealed quotations complete in all respects should reach Dr. P V Madhusudhan Rao. Department of Mechanical Engineering, IIT Delhi, Hauz Khas, New Delhi- 110016, INDIA before 4:00 p.m of 18th September 2014

Please Note following while submitting your quotations:

- Payment will be made within 15 days of successful conduction of workshop
- Submit your quotations in Indian Rupees
- Enclose proof of successfully conducting similar workshop to large number of participants.
- Workshop to be completed within three months from the date of order on a day mutually convenient to both IIT and organization conducting the workshop.
- All travel/transportation costs related to workshop to be borne by organization conducting the workshop.
- Quotation should be valid up to 31 December, 2014.
- IIT Delhi reserves the right to accepts or reject any or all quotations without assigning any reason.

(P V Madhusudhan Rao)
