

Rural Housing Knowledge Network Project at Industrial Design Development Centre, IIT Delhi invites quotations for Housing Survey & Assessment of Housing Technologies with detailed documentation in the state of Jammu & Kashmir for 15 days period. Details are as follows :

1. Conduct housing surveys with detailed photographs and assess the housing technologies in the following sectors of the state of Jammu and Kashmir :
  - (a) Srinagar
  - (b) Leh
  - (c) Kargil
  - (d) Kupwara
  - (e) Baramulla
  - (f) Poonch
  - (g) Rajouri
  - (h) Jammu
  - (i) Dhamshal
2. The survey will consist of a) first identifying sample representative houses in each of the above 9 sectors listed above from a to i, b) then team consisting of architects and engineers should visit each of the identified house and study in detail the materials and technologies used c) a report of the observations along with high quality photographs need to be submitted.
3. The detailed documentation of Housing Survey & Assessment of Housing Technologies of the above sectors from (a) to (i) at Sr. No. 1 above is expected in two formats i) MS excel data of about 80-100 households and ii) photo documentation of about 20-30 houses. The document should be submitted in CDs in .xls, .pdf and .doc format.
4. Organize a brainstorm with a maximum of 20 persons to arrive at recommended type designs for different parts of the state. About 5-6 persons from IIT Delhi will participate in this workshop, rest of the participants will be subject experts from the state.
