Minutes of Meeting of the Purchase committee as approved by Head, Civil Engg. Department for the purchase of “Field Density Test Apparatus” held on Tuesday 18.09.2012 at 11.00 AM in the room (Room no. V/113) of Prof. K. S. Rao, Civil Engineering Department.

The following members were present:

Prof. K. S. Rao
Prof. G. V. Ramana
Dr. R. Ayothiraman

The committee deliberated and approved the following specifications. It was decided to invite quotations for the equipment by placing it on the IIT Website.

Sealed quotations are invited for

Technical specifications for FIELD DENSITY TEST APPARATUS:

The apparatus is suitable for field density estimation of fine and medium grained soils, as per IS: 2720 (Part XXVIII). It consists of:

- Sand Pouring Cylinder 115 mm internal dia with conical funnel and shutter.
- Calibrating Container, 100mm inner dia and 150mm deep with flange 50mm wide.
- Metal tray300mmsquare x 40mm deep with a 100mm dia hole at the center.

The NIQ should be addressed to Prof. G. V. Ramana and to be submitted to Department of Civil engineering, IIT Delhi, Hauz Khas, New Delhi – 110016, India latest by 5.00 pm on October 19th 2012. Interested parties are required to submit their technical and commercial bids in separately sealed envelopes and marked respectively as “Technical Bid” and “Commercial Bid” on the outside. Price should be quoted to CIF New Delhi. (IIT Delhi). The validity of quotation should be at least three months.
