Chairman Purchase Committee (Buyer Member)

Instructions for Online Bid Submission:

As per the directives of Department of Expenditure, this tender document has been published on the Central Public Procurement Portal (<u>URL:http://eprocure.gov.in/eprocure/app</u>). The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at:

http://eprocure.gov.in/eprocure/app

REGISTRATION

- Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL:<u>http://eprocure.gov.in/eprocure/app</u>) by clicking on the link "Click here to Enroll". Enrolment on the CPP Portal is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their userID / password and the password of the DSC / eToken.

SEARCHING FOR TENDER DOCUMENTS

- There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents including the names and content of

each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF formats. Bid documents may be scanned with 100 dpi with black and white option.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as "on-line" to pay the tender fee / EMD as applicable and enter details of the instrument. Whenever, EMD / Tender fees is sought, bidders need to pay the tender fee and EMD separately on-line through RTGS (Refer to Schedule, Page No.2).
- 4) A standard BoQ format has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

OR

In some cases Financial Bids can be submitted in PDF format as well (in lieu of BOQ).

- 5) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 6) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done.
- 7) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8) Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 9) Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.

ASSISTANCE TO BIDDERS

- 1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- 2) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 1800 233 7315.

General Instructions to the Bidders

- 1) The tenders will be received online through portal <u>http://eprocure.gov.in/eprocure/app</u>. In the Technical Bids, the bidders are required to upload all the documents in .pdf format.
- 2) Possession of a Valid Class II/III Digital Signature Certificate (DSC) in the form of smart card/etoken in the company's name is a prerequisite for registration and participating in the bid submission activities through https://eprocure.gov.in/eprocure/app . Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the web site https://eprocure.gov.in/eprocure/app under the link "Information about DSC".
- 3) Tenderer are advised to follow the instructions provided in the 'Instructions to the Tenderer for the e-submission of the bids online through the Central Public Procurement Portal for e Procurement at https://eprocure.gov.in/eprocure/app.

		damages or termination for default, if and to the extent that, it's delay in performance or other failure		
to perform its obligations under the Contract is the result of an event of Force Majeure.		to perform its obligations under the Contract is the result of an event of Force Majeure.		

	• For purposes of this Clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may		
	include, but are not limited to, acts of the Purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.		
	• If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such conditions and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.		
10.	Risk Purchase Clause : In event of failure of supply of the item/equipment within the stipulated		
10.	delivery schedule, the purchaser has all the right to purchase the item/equipment from the ot		
	source on the total risk of the supplier under risk purchase clause.		
11.	Packing Instructions : Each package will be marked on three sides with proper paint/indelible ink, the		
11.	following:		
	i. Item Nomenclature		
	ii. Order/Contract No.		
	iii. Country of Origin of Goods		
	iv. Supplier's Name and Address		
	v. Consignee details		
	vi. Packing list reference number		
12.	Delivery and Documents:		
	Delivery of the goods should be made within a maximum of 08 to 16 weeks from the date of		
	placement of purchase order and the opening of LC. Within 24 hours of shipment, the supplier shall		
	notify the purchaser and the insurance company by cable/telex/fax/e mail the full details of the		
	shipment including contract number, railway receipt number/ AAP etc. and date, description of goods,		
	quantity, name of the consignee, invoice etc. The supplier shall mail the following documents to the		
	purchaser with a copy to the insurance company:		
	1. 4 Copies of the Supplier invoice showing contract number, goods' description, quantity		
	2. unit price, total amount;		
	3. Insurance Certificate if applicable;		
	4. Manufacturer's/Supplier's warranty certificate;		
	5. Inspection Certificate issued by the nominated inspection agency, if any		
	6. Supplier's factory inspection report; and		
	7. Certificate of Origin (if possible by the beneficiary);		
	8. Two copies of the packing list identifying the contents of each package.		
	9. The above documents should be received by the Purchaser before arrival of the Goods (except		
	where the Goods have been delivered directly to the Consignee with all documents) and, if not		
10	received, the Supplier will be responsible for any consequent expenses.		
13.	Delayed delivery: If the delivery is not made within the due date for any reason, the Committee will		
	have the right to impose penalty 1% per week and the maximum deduction is 10% of the contract		
1.4	value / price.Prices: The price should be quoted in net per unit (after breakup) and must include all packing and		
14.			
	delivery charges. The offer/bid should be exclusive of taxes and duties, which will be paid by the purchaser as applicable. However the percentage of taxes & duties shall be clearly indicated.		
	The price should be quoted without custom duty and excise duty, since IIT Delhi is exempted from		
	payment of Excise Duty and is eligible for concessional rate of custom duty. Necessary certificate		
	will be issued on demand.		
	In case of imports, the price should be quoted on FOB/FCA origin Airport Basis only. Under		
	special circumstances (eg. perishable chemicals), when the item is imported on CIF/CIP, please indicate CIF/CIP charges separately upto IIT Delhi indicating the mode of shipment. IIT Delhi will		

	make necessary arrangements for the clearance of imported goods at the Airport/Seaport. Hence the
	price should not include the above charges. At any circumstances, it is the responsibility of the
	foreign supplier to handover the material to our forwarder at the origin airport after
	completing all the inland clearing. No Ex- Works consignment will be entertained.
	"In case of CIF/CIP shipments, kindly provide the shipment information at least 2 days in advance
	before landing the shipment along with the documents i.e. invoice, packing list, forwarder Name,
	address, contact No. in India to save penalty/demurrage charges (imposed by Indian Customs).
	Otherwise these charges will be recovered from the supplier/Indian Agent."
15.	Notices: For the purpose of all notices, the following shall be the address of the Purchaser and
15.	Supplier.
	Purchaser: Dr. Sandeep K. Jha,
	Centre for Biomedical Engineering
	Indian Institute of Technology
	Hauz Khas, New Delhi - 110016.
	Suppliant (To be filled in by the supplice)
	Supplier: (To be filled in by the supplier)
	(All supplier's should submit its supplies information as per Annexure-II).
1.0	
16.	Progress of Supply: Wherever applicable, supplier shall regularly intimate progress of supply, in
	writing, to the Purchaser as under:
	1. Quantity offered for inspection and date;
	2. Quantity accepted/rejected by inspecting agency and date;
	3. Quantity dispatched/delivered to consignees and date;
	4. Quantity where incidental services have been satisfactorily completed with date;
	5. Quantity where rectification/repair/replacement effected/completed on receipt of any
	communication from consignee/Purchaser with date;
	6. Date of completion of entire Contract including incidental services, if any; and
	7. Date of receipt of entire payments under the Contract (In case of stage-wise inspection, details
	required may also be specified).
17.	Inspection and Tests: Inspection and tests prior to shipment of Goods and at final acceptance are as
	follows:
	• After the goods are manufactured and assembled, inspection and testing of the goods shall be
	carried out at the supplier's plant by the supplier, prior to shipment to check whether the goods are
	in conformity with the technical specifications attached to the purchase order. Manufacturer's test
	certificate with data sheet shall be issued to this effect and submitted along with the delivery
	documents. The purchaser shall be present at the supplier's premises during such inspection and
	testing if need is felt. The location where the inspection is required to be conducted should be
	clearly indicated. The supplier shall inform the purchaser about the site preparation, if any, needed
	for installation of the goods at the purchaser's site at the time of submission of order acceptance.
	• The acceptance test will be conducted by the Purchaser, their consultant or other such person
	nominated by the Purchaser at its option after the equipment is installed at purchaser's site in the
	presence of supplier's representatives. The acceptance will involve trouble free operation and
	ascertaining conformity with the ordered specifications and quality. There shall not be any
	additional charges for carrying out acceptance test. No malfunction, partial or complete failure of
	any part of the equipment is expected to occur. The Supplier shall maintain necessary log in
	respect of the result of the test to establish to the entire satisfaction of the Purchaser, the successful
	completion of the test specified.
	• In the event of the ordered item failing to pass the acceptance test, a period not exceeding one
	weeks will be given to rectify the defects and clear the acceptance test, failing which the Purchaser

 reserve the right to get the equipment replaced by the Supplier at no extra cost to the Purch Successful conduct and conclusion of the acceptance test for the installed goods and e shall also be the responsibility and at the cost of the Supplier. 18. matter arising out of or connected with this agreement, such disputes or difference shall be			
accordance with the Indian Arbitration & Conciliation Act, 1996, the rules there under			
	statutory modifications or re-enactments thereof shall apply to the arbitration proceedings. The		
-	dispute shall be referred to the Director, Indian Institute of Technology (IIT) Delhi and if he is unable		
or unwilling to act, to the sole arbitration of some other person appointed by him willing to act as			
such Arbitrator. The award of the arbitrator so appointed shall be final, conclusive and binding on all			
parties to this order.			
• In the case of a dispute between the purchaser and a Foreign Supplier, the dispute shall be settled by			
arbitration in accordance with provision of sub-clause (a) above. But if this is not acceptable to the			
supplier then the dispute shall be settled in accordance with provisions of UNCITRAL (United			
Nations Commission on International Trade Law) Arbitration Rules.			
• The venue of the arbitration shall be the place from where the order is issued.			
19. Applicable Law: The place of jurisdiction would be New Delhi (Delhi) INDIA.			
20. Right to Use Defective Goods			
If after delivery, acceptance and installation and within the guarantee and warranty po	eriod, the		
operation or use of the goods proves to be unsatisfactory, the Purchaser shall have the right to	continue		
to operate or use such goods until rectifications of defects, errors or omissions by repair or by	partial or		
complete replacement is made without interfering with the Purchaser's operation.			
21. Supplier Integrity			
The Supplier is responsible for and obliged to conduct all contracted activities in accordance	e with the		
Contract using state of the art methods and economic principles and exercising all means available to			
achieve the performance specified in the contract.			
22. Training			
The Supplier is required to provide training to the designated Purchaser's technical and	end user		
personnel to enable them to effectively operate the total equipment.

The AMC/CMC charge will not be included in computing the total cost of the equipment. 	
27.	The contract shall be written in English language. English language version of the Contract shall	
	are exchanged by the parties, shall be written in the same language.	
28.	Applicable Law The Contract shall be interpreted in accordance with the laws of the Union of India and all disputes shall be subject to place of jurisdiction.	
29.	Notices	
	 Any notice given by one party to the other pursuant to this contract/order shall be sent to the other party in writing or by cable, telex, FAX or e mail and confirmed in writing to the other party's address. A notice shall be effective when delivered or on the notice's effective date, whichever is later. 	
30.	Taxes Suppliers shall be entirely responsible for all taxes, duties, license fees, octroi, road permits, etc., incurred until delivery of the contracted Goods to the Purchaser. However, VAT in respect of the transaction between the Purchaser and the Supplier shall be payable extra, if so stipulated in the order.	
31.	 Duties IIT Delhi is exempted from paying custom duty under notification No.51/96 (partially or full) and necessary "Custom Duty Exemption Certificate" can be issued after providing following information and Custom Duty Exemption Certificate will be issued to the shipment in the name of the Institute, (no certificate will be issued to third party): The procured product should be used for teaching, scientific and research work only. a) Shipping details i.e. Master Airway Bill No. and House Airway No. (if exists) b) Forwarder details i.e. Name, Contact No., etc. IIT Delhi is exempted from paying Excise Duty and necessary Excise Duty Exemption Certificate will 	
	be provided for which following information are required.	

	b) Quotation with details of Basic Price, Rate, Tax & Amount on which ED is applicable		
	c) Supply Order Copy		
	d) Proforma-Invoice Copy.		
32.	Agency Commission: Agency commission if any will be paid to the Indian agent in Rupees on receipt of the equipment and after satisfactory installation. Agency Commission will not be paid in		
	foreign currency under any circumstances. The details should be explicitly shown in Tender even in case of Nil commission. The tenderer should indicate the percentage of agency commission to be		
	paid to the Indian agent.		
33.	Payment:		
	 (i) For imported items Payment will be made through irrevocable Letter of Credit (LC) Cash Against Documents (CAD)/Against delivery/after satisfactory installation by T.T. Letter of Credit (LC) will be established in favour of foreign Supplier after the submission of performance security. The letter of credit (LC) will be established on the exchange rates as applicable on the date of establishment. For Imports, LC will be opened for 100% FOB/CIF value. 80% of the LC amount shall be released on presentation of complete and clear shipping documents and 20% of the LC amount shall be released after the installation and demonstration of the equipment at the INST site of installation in faultless working condition for period of 60 days from the date of the satisfactory installation and subject to the production of unconditional performance bank guarantee as specified in Clause 8 of tender terms and conditions. (ii) For Indigenous supplies, 100% payment shall be made by the Purchaser against delivery, inspection, successful installation, commissioning and acceptance of the equipment at IITD in good condition and to the entire satisfaction of the Purchaser and on production of unconditional performance bank guarantee as specified in Clause 9 of tender terms and conditions. (iii) Indian Agency commission (IAC), if any shall be paid after satisfactory installation & commissioning of the goods at the destination at the exchange rate prevailing on the date of negotiation of LC documents, subject to DGS&D registration for restricted items. (iv) All the bank charges within India will be borne by the Institute and outside India will be borne 		
	by the Supplier.		
34.	User list: Brochure detailing technical specifications and performance, list of industrial and educational establishments where the items enquired have been supplied must be provided. (Ref.		
35.	Annexure-III)		
	 Manuals and Drawings (i) Before the goods and equipment are taken over by the Purchaser, the Supplier shall supply operation and maintenance manuals. These shall be in such details as will enable the Purchaser to operate, maintain, adjust and repair all parts of the works as stated in the specifications. (ii) The Manuals shall be in the ruling language (English) in such form and numbers as stated in the contract. (iii) Unless and otherwise agreed, the goods equipment shall not be considered to be completed for the purposes of taking over until such manuals and drawing have been supplied to the Purchaser. 		
36.	Application Specialist : The Tenderer should mention in the Techno-Commercial bid the availability and names of Application Specialist and Service Engineers in the nearest regional office. (Ref. to Annexure-III)		
37.	Site Preparation : The supplier shall inform to the Institute about the site preparation, if any, needed for the installation of equipment, immediately after the receipt of the purchase order. The supplier must provide complete details regarding space and all the other infrastructural requirements needed for the equipment, which the Institute should arrange before the arrival of the equipment to ensure its timely installation and smooth operation thereafter.		
	The supplier shall visit the Institute and see the site where the equipment is to be installed and may offer his advice and render assistance to the Institute in the preparation of the site and other pre-installation requirements.		
38.	Spare Parts		

	The Supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier:
	ii. Such spare parts as the Purchaser may elect to purchase from the Supplier, providing that this election shall not relieve the Supplier of any warranty obligations under the Contract; and
	iii. In the event of termination of production of the spare parts:
	iv. Advance notification to the Purchaser of the pending termination, in sufficient time to permit the
	Purchaser to procure needed requirements; and
	v. Following such termination, furnishing at no cost to the Purchaser, the blueprints, drawings and specifications of the spare parts, if requested.
	Supplier shall carry sufficient inventories to assure ex-stock supply of consumable spares for the
	Goods, such as gaskets, plugs, washers, belts etc. Other spare parts and components shall be supplied
20	as promptly as possible but in any case within six months of placement of order.
39.	Defective Equipment : If any of the equipment supplied by the Tenderer is found to be substandard,
	refurbished, un-merchantable or not in accordance with the description/specification or otherwise
	faulty, the committee will have the right to reject the equipment or its part. The prices of such
	equipment shall be refunded by the Tenderer with 18% interest if such payments for such equipment
	have already been made. All damaged or unapproved goods shall be returned at suppliers cost and
	risk and the incidental expenses incurred thereon shall be recovered from the supplier. Defective part
	in equipment, if found before installation and/or during warranty period, shall be replaced within 45
	days on receipt of the intimation from this office at the cost and risk of supplier including all other other days it and the second supplier fails to replace above item as per above terms & conditions. UT Delhi may
	charges. In case supplier fails to replace above item as per above terms & conditions, IIT Delhi may consider "Banning" the supplier.
40.	Termination for Default
40.	The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of
	default sent to the Supplier, terminate the Contract in whole or part:
	i. If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the order,
	or within any extension thereof granted by the Purchaser; or
	ii If the Supplier fails to perform any other obligation(s) under the Contract.
	iii If the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulent practices
	in competing for or in executing the Contract.
	• For the purpose of this Clause:
	i. "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value
	to influence the action of a public official in the procurement process or in contract
	execution.
	ii. "Fraudulent practice" means a misrepresentation of facts in order to influence a
	procurement process or the execution of a contract to the detriment of the Borrower,
	and includes collusive practice among Bidders (prior to or after bid submission)
	designed to establish bid prices at artificial non-competitive levels and to deprive the
	Borrower of the benefits of free and open competition;"
	• In the event the Purchaser terminates the Contract in whole or in part, the Purchaser may procure,
	upon such terms and in such manner, as it deems appropriate, Goods or Services similar to those
	undelivered, and the Supplier shall be liable to the Purchaser for any excess costs for such similar
	Goods or Services. However, the Supplier shall continue the performance of the Contract to the
	extent not terminated.
41.	Shifting: After 1-2 years once our new Academic Block will be ready, the supplier has to shift and
	reinstall the instrument free of cost (if required).
42.	Downtime: During the warranty period not more than 5% downtime will be permissible. For every
	day exceeding permissible downtime, penalty of 1/365 of the 5% FOB value will be imposed.
	Downtime will be counted from the date and time of the filing of complaint with in the business
	hours.

43.	Training of Personnel: The supplier shall be required to undertake to provide the technical training to the personnel involved in the use of the equipment at the Institute premises, immediately after completing the installation of the equipment for a minimum period of one week at the supplier's cost.
44.	Disputes and Jurisdiction : Any legal disputes arising out of any breach of contract pertaining to this tender shall be settled in the court of competent jurisdiction located within New Delhi.
45.	Compliancy certificate : This certificate must be provided indicating conformity to the technical specifications. (Annexure-I)

COMPLIANCE SHEET

TECHNICAL SPECIFICATION

S.No.		COMPLIANCE Y/N
1	Fabrication and fitting of two units of custom 4 x 2 x 3 ft (WxDxH) BSL- II biosafety hoods (with all standard fittings for 230 VAC as per U. S. Federal Standard 209E - Class 100), with 100% 0.3 micron HEPA filtered air exhaust with virus burn off compatible for P-3 research works, with compatible exhaust ducting and all stainless steel grade 304 construction (no wood or mild steel etc.)	
2	Fabrication of custom Chemical Fume Hood 4 x 2 x 2.5 ft (WxDxH); all wooden sheets and sections, sun mica cladding; polypropylene interior, with Porcelain sink with waste coupling and water tap; Height from ground – 2.5ft; storage space of drawers below the work table; exhaust fan with suitable rating motor for exhaust of fumes; aerodynamic control of exhaust from the hood by fitting of a By-pass panel on the upper end of the working area; front sash of toughened glass with counter weight balanced pattern; Suitable baffles on back side of the Hood for exhaust of heavier than air fumes; 1 No. 2 ft LED tube of suitable rating inside the Hood; for 230 VAC	
3	Fabrication and fittings for BSL-II lab of 156 sq. ft. area with 2 Nos. Systems for Temperature Control & regulation systems for 25 \pm 1°C operation for 230 VAC	
4	One small SS table 2x2 ft made of 304 grade stainless steel; with 2 shelves; with a media container of suitable dimensions to retain the pathogenic media discard from the Bio-Safety Hoods.	
5	Two units of Positive pressure 10µ filtered air modules for P-3 Lab ducting. 10µ Modules shall have to be fitted for compensating the exhaust air from the Biosafety Hoods System separately so that the Lab conditions are not disturbed; for 230 VAC	
6	One unit of Negative pressure 0.3μ filtered air module for P-3 Lab ducting. 0.3μ Modules shall have to be fitted for exhaust of air from the Biosafety lab to maintain overall negative pressure of lab; for 230 VAC and one unit for Positive Pressure in the Lab with 10 μ filters with ducting.	
7	1 set of ESD PVC flooring with skirting for 13 x 12 ft. measuring Lab.; 2 mm, 3 layer flooring with 4" skirting on all the sides joints duly heat welded and with grounding point wire	

I have also enclosed all relevant documents in support of my claims, (as above) in the following pages.
