DISCLAIMER

The information contained in this Request for proposal document or subsequently provided to Applicants, whether verbally or in documentary or any other form by or on behalf of the Authority or any of its employees or advisers, is provided to Applicants on the terms and conditions set out in this Request for proposal and such other terms and conditions subject to which such information is provided.

This Request for proposal is not an agreement and is neither an offer nor invitation by the Authority to the prospective Applicants or any other person. The purpose of this Request for proposal is to provide interested parties with information that may be useful to them in the formulation of their Proposals pursuant to this Request of proposal. This Request for proposal includes statements, which reflect various assumptions and assessments arrived at by the Authority in relation to the Consultancy. Such assumptions, assessments and statements do not purport to contain all the information that each Applicant may require. This Request for proposal may not be appropriate for all persons, and it is not possible for the Authority, its employees or advisers to consider the objectives, technical expertise and particular needs of each party who reads or uses this Request of proposal. The assumptions, assessments, statements and information contained in this Request of proposal, may not be complete, accurate, adequate or correct. Each Applicant should, therefore, conduct its own investigations and analysis and should check the accuracy, adequacy, correctness, reliability and completeness of the assumptions, assessments and information contained in this Request for proposal and obtain independent advice from appropriate sources.

The issue of this Request for proposal does not imply that the Authority is bound to select an Applicant or to appoint the Selected Applicant, as the case may be, for the Consultancy and the Authority reserves the right to reject all or any of the Proposals without assigning any reasons whatsoever.

The Applicant shall bear all its costs associated with or relating to the preparation and submission of its Proposal including but not limited to preparation, copying, postage, delivery fees, expenses associated with any demonstration so re-presentations which may be required by the Authority or any other costs incurred in connection with or relating to its Proposal. All such costs and expenses will remain with the Applicant and the Authority shall not be liable in any manner whatsoever for the same or for any other costs or other expenses incurred by an Applicant in preparation or submission of the Proposal, regardless of the conduct or outcome of the Selection Process.

2. SCOPE OF SERVICES

- a) Preparation of floor plan (Architectural drawings) of buildings mentioned in this document, Conduct tests at site and submit structural stability certificate on SDMC prescribed pro-forma and calculation sheet if required by SDMC. For this, the vendor may engage the services of MCD approved agencies for structural stability certification.
- b) Suggest mandatory improvement in existing fire fighting services in each building and develop design of Fire scheme required for applying and getting approval from Fire Department.
- c) To prepare and submit necessary design or data required for getting approvals from DUAC, ASI, CFO, AAI & other local bodies.
- d) Submit required number of drawing sets including preparation of as Built drawings & its soft copies to SDMC along with the application and to IIT Delhi after receiving all approvals.
- e) Prepare area calculation sheet, as per SDMC area verification norms, for the mentioned existing buildings.
- f) Updating approved Master plan of IIT Delhi in case of change in area, as calculated, relevant to the buildings under reference (IIT will provide soft copy of latest approved Master plan)
- g) Any other service /document required for obtaining sanction from SDMC.

Note:

- i. Necessary statutory fee shall be borne by IIT Delhi.
- ii. The sanction or completion drawings of existing buildings are not available with the Institute. However, drawings and area details available with IIT Delhi will be shared with the short listed firm.
- iii. If any structural/Civil repair / retrofitting work is required on any of the buildings in the scope of work, to get the statutory approvals, the Institute shall invite separate tender for such work(s) as per details/Estimate provided by the consultant and work(s) will be executed by the Institute simultaneously with in the stipulated time frame assigned to the consultant architect.
- iv. In the event of such structural repairs / retrofitting requiring more time than in the scope of instant work or given to the consultant architect, the building would be taken out of the scope of work of the consultant and the consultant shall be made payment due upto the stage of work done by him on that building.
- v. Vendors may contact the Institute Engineer, IIT Delhi for any clarification required.

3. MINIMUM ELIGIBILITY CRITERIA

- a) Participating registered Firms should have been in existence for not less than 10 years as on 31/07/2022.
