1.2.1. The list of tests include tests under the following:

- a. Clinical Chemistry
- b. Clinical Haematology
- c. Clinical Microbiology
- d. Microscopy/Parasitology
- e. Serology
- f. Cytogenetics
- g. Molecular Diagnostics

1.2.2. Detailed list of tests to be conducted is placed at Annexure-VI.

1.2.3. The Diagnostic Testing Agency (DTA) shall provide the agreed upon services to IIT registered users referred by IITD medical officers or visiting specialist doctors only. The referred patients would be issued a job form consisting of the patient's details viz. name, age, sex, medical ID and relation with the employee. These forms will be duly signed by IITD medical officer or visiting specialist doctor or their representative.

1.2.4. The DTA shall not refuse any test listed above and must fill up **Annexure-VI**.

1.2.5. The DTA would not outsource the Institute cases further to other centres under normal circumstances. If it is very essential, prior intimation should be given to the Head, Hospital Services and the reliability of the test results would be the sole responsibility of empanelled DTA. Payment in such cases would also be restricted to approved rates only.

1.2.6. In the case, the investigations/tests carried out by the DTA are not found to be meeting the standards of quality as per norms in medical practice, the DTA will bear any liability towards costs of retesting of fresh/original sample and Institute will not have any liability financial or legal for the same.

1.2.7. **Any liability arising out of or due to any default or negligence in provision or performance of the diagnostic services shall be borne exclusively by the DTA, who shall alone be responsible for the defect in rendering such services.**

1.2.8. While carrying out tests/diagnostic procedures of Institute beneficiaries, the DTA shall not ask the Institute beneficiaries to purchase separately the medicine from outside, but bear the cost on its own.

1.2.9. The DTA will provide credit/cashless facility subsequently by raising the bill to the Institute. However, for students of the Institute, the testing/investigation will be on cash basis only.

1.2.10. The DTA should have facility for computational reporting / e-reporting.

1.2.11. The samples will be collected in the Hospital premises only. In exceptional cases, the DTA may send qualified technical person to the patient's residence on campus to collect the test sample from patients. The DTA should take all precautions to preserve the sample while transporting it to the hospital or to the testing laboratory. IITD will not make any extra payment for such services.

1.2.12. Responsibility of collection of sample is of the outsourced agency:

Collection time during working days: 08:00 am – 2:00 pm. On holidays: 09:00 am – 12:00 noon. In emergency situations, the DTA may summon by the Head, Hospital Services to collect samples any time of the day or he/she may extend the sample collection duration.
