

# KNOWLEDGE NEXUS SEMINAR SERIES

## **WHAT AFTER PhD?** The Future Scope

**Professor S. K. Varshney**  
Science facilitator,  
Professor Emeritus,  
Former Adviser International, DST

Professor S. K. Varshney is a renowned science facilitator, communicator, and advisor with decades of experience in strengthening national and international research ecosystems. During his tenure at the Department of Science & Technology (DST), Government of India, he played a key role in shaping research collaborations, global partnerships, and capacity-building initiatives for researchers. He continues to mentor PhD scholars and early-career researchers worldwide, offering strategic guidance on academic, industry, and policy-oriented careers beyond the PhD.
