

# Joint PhD Program

UQ-IITD Academy of Research

**The University of Queensland (UQ), a top 50 global university, and the Indian Institute of Technology Delhi (IITD), an Institute of Eminence in India, have joined forces to create a joint PhD program that will support PhD scholars to deliver global impact.**

## Join the Academy

We are seeking applications from exceptional candidates with backgrounds in science, technology, engineering, mathematics, humanities and social sciences, for projects commencing in July 2023.

## Find out more

Interested applicants are encouraged to register for a webinar from **10.30am-12.30pm (IST)/ 3.00-5.00pm (AEST) Friday 24 February and Friday 3 March** to find out more about the program and application process. Register online: [www.uqidar.org/future-students/find-out-more](http://www.uqidar.org/future-students/find-out-more)

## Apply

All applicants must complete an online Expression of Interest (EOI) between **14 February - 15 March 2023**. To submit an EOI visit [www.uqidar.org/apply](http://www.uqidar.org/apply)

Through the UQ-IITD Academy of Research (UQIDAR) joint-PhD program, you can receive a scholarship to study at two world-leading, research-intensive institutions on multidisciplinary projects. By participating in the program you will gain:

- ✓ access to world-class **facilities and resources** and exposure to a new research ecosystem, network and environment
- ✓ global expertise via **dual supervision** between UQ and IITD as well as possible industry input
- ✓ a generous **scholarship and additional project development award support**. Visit [www.uqidar.org/scholarships](http://www.uqidar.org/scholarships) to find out more
- ✓ upon successful completion of the program, you will be offered a **jointly awarded Doctor of Philosophy (PhD)** from both UQ and IITD
