

I Semester 2020-21

Exam schedule for courses OTHER than UG First year courses

- Students are advised to check the exam schedule one day before the exam for any change in schedule.
- As evaluation may be conducted in a form different from a regular Minor exam, only the end time of the evaluation of any course offered in a specific slot is mentioned.
- Kindly note that the **end time for a slot includes any buffer time** kept for (online) submission of answers after the end of examination. For example, for slot A on November 08, 2020 (Sunday), the submission time should end on or before 10:00 AM. So, if 20 minutes are kept as buffer time for submission after exam, then the exam should end by 9:40 AM.
- The evaluation schedule for the courses offered in other slots, not included in the table below, will be announced by the concerned Course Coordinator as required. Any overlap should be avoided while scheduling the exam.
