

## II Semester 2020-21

### Minor Test / Evaluation schedule for the UG FIRST year courses

- Students are advised to check the exam schedule one day before the exam for any change in schedule.
- As evaluation may be conducted differently from a regular exam, only the end time of the evaluation of any course offered in a specific slot is mentioned.
- Kindly note that the end time for a slot includes any buffer time kept for (online) submission of answers after the end of the examination. For example, for slot A on 10 April 2021 (Saturday), the submission time should end on or before 13:00. So, if 20 minutes are kept as buffer time for submission after the exam, then the exam should end by 12:40 PM.
- The evaluation schedule for the courses offered in other slots, not included in the table below, will be announced by the concerned Course Coordinator as required. Any overlap should be avoided while scheduling the exam.
