

**Memorandum of Understanding  
between  
Technical University of Liberec, Czech Republic  
and  
Indian Institute of Technology Delhi**

Representatives of the Technical University of Liberec and Indian Institute of Technology Delhi have agreed to strengthen the bonds between their institutions. This Memorandum of Understanding (hereinafter referred to as MOU) is intended to set the terms and understanding between the partners. Both partners believe that this collaboration will contribute to the understanding between their nations and open new possibilities in research and teaching.

**Objectives:**

1. To cooperate in the further development of the institutions, especially with regard to academic programmes, research activities and PhD. supervisions.
2. To provide faculty, students and staff with an opportunity to increase their intercultural competences.
3. To deepen cooperation between both institutions through joint projects in the field of student exchange programmes, research activities and professional development.

The above goals will be accomplished by undertaking the following activities:

1. The institutions mutually agree to exchange information, faculty and students in both academic and research programmes.
2. The Faculties/Schools/Institutes will formulate specific action agreements to assist in creating and operating academic and research programs.
3. The institutions mutually agree on organizing professional training courses, summer training programmes, training of young teachers schemes and organizing joint international seminars and symposia.
4. Both parties agree to define and conduct joint/double Master and Doctoral programmes in all scientific/technical disciplines.

Specific matters requiring greater detail will be included as an Annexure to this Agreement.

Both partners will explore ways and means to finance joint projects through special government and other funding sources; however, this MOU is not a commitment of funds.

Representatives of both partners will evaluate the effectiveness and adherence to the agreement on a yearly basis.

This MOU is at-will and may be modified by mutual consent of authorized officials from the Technical University of Liberec and Indian Institute of Technology Delhi. This MOU shall become effective upon signature by the authorized officials from the Technical University of Liberec and Indian Institute of Technology Delhi and will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from the Technical University of Liberec and Indian Institute of Technology Delhi this MOU shall end on December 31, 2022.

This Memorandum of Understanding shall be written in English. Both parties agree that they will rely on their own interpretive services to ensure, to their respective satisfaction, that the English version reflect identical intent and terms and conditions.
